Shaver Handpiece

Power and innovation  
you can feel

The DYONICS POWERMAX<sup>®</sup> Shaver Handpiece works with all DYONICS Power straight blades, curved blades, Smith & Nephew DYONICS BONECUTTER<sup>®</sup> Blades, and burrs. While the handpiece has 25% more power than the standard Smith & Nephew handpiece, it is also 50% lighter and features an improved ergonomic design that allows for easier handling and reduced hand fatigue.
